Which?
..... Why ask?
Boo!

Which one...
Will you accept?

!?
What happened? This area is suprisingly warm
Ah
What's wrong, you can come in here and wait
I feel tired to death .....

TN:When he says mmm he means it as a response similar to "yes" or "I understand"

The translation is a bit wonky the breakdown is that the imprint is perfectly shaped like a body was detected

I.....
feel like
I had a beautiful
.....dream
That's great...
I see you are dreaming of holding cotton candy, right?
Mhmm...
...where's Fumiho?
.....?

It's alright
She's gone
Well then... I'm going this way
OH!
So... Kiwako..... can...
can..... you... stay with me a little longer?
I have something to say

TN This is a rhetorical question, she is saying it with much sass
Haven't I told you
I'm tired to death?
Oh
Uh...
Then— then just stay for a while! 30 minutes! Pleeease?
I'll treat you to some French Melaleuca cake

芙三步沒有錯
是我太累了
"Thoughts"
Fumiho you did nothing wrong, I'm just tired
Kiwako ?
!?

Let's talk Tomorrow
okay?
*I don't wanna hurt you
*If I talk to her I might say something I shouldn't reveal
*I don't under -stand these feelings
Hmm?
Huh? What's happening

mm...
What is this..... cotton candy.....
or rather..... how do I explain this..... it's light and fluffy, like a cloud?

If I don't hold onto it tightly, I feel like it will disappear...?

TN: I think she means that if she doesn't hold onto something, she feels it will disappear but she doesn't understand why she thinks this way

I need to hurry home now
My family has a strict curfew, bye!
Oh no! I need to run faster than the wind
so my mom doesn't kill me
Okay!!
Sorry for this selfish request
Thanks for the hug Kiwako, it really calmed me down

[Coordinate 0]
The axis
has begun to shift
The bell in that girl's heart is ringing, do you hear it?
.....
Ding~ dong
Whoever is the reason for making the bells in her heart ring
in the end she is only going to end up choosing one

Do you not care about whats gonna happen, DISASTER.
It will happen.

Karasuma,
ever fall in love with someone?
Love is destructive

ウルトラジャンプ
any balance or relationship before,
even myself will end up being destroyed by love

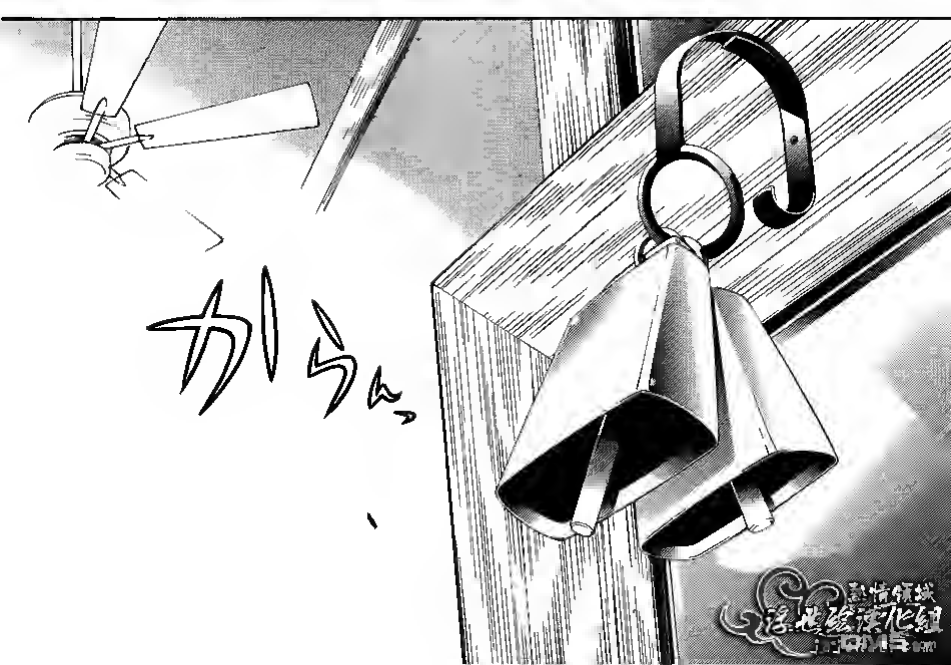
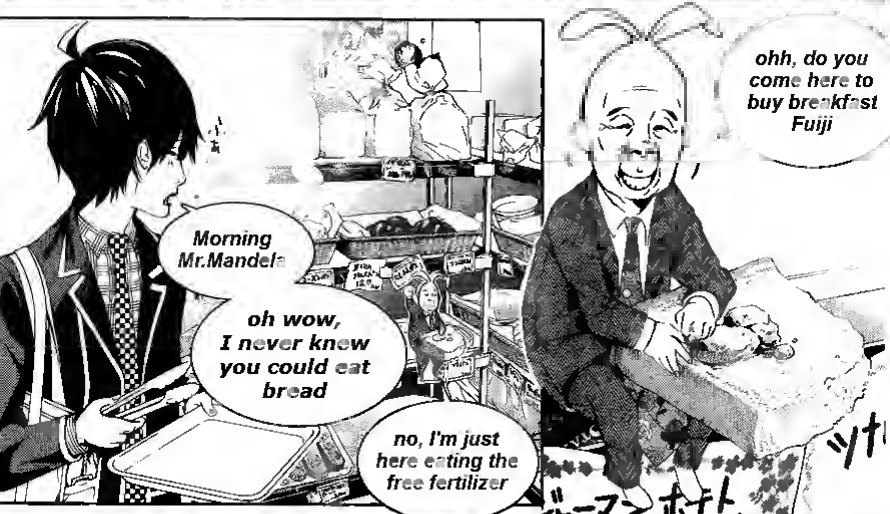
哈啊

Good Morning
Morning
It's warm today
This heat is killing me



カらんっ

Sorry, Hosa
Just a moment



ohh, do you come here to buy brenkfast Fuiji
Morning Mr.Mandela
oh wow, I never knew you could eat bread
no, I'm just here eating the free fertilizer

oh yeah
Fuiji you came in at just the right time
No matter how much I eat, I will get hungry again, should I eat Fumiho's and mine?
TN: He might be referring to Hosa. I don't remember his name but thats the translation

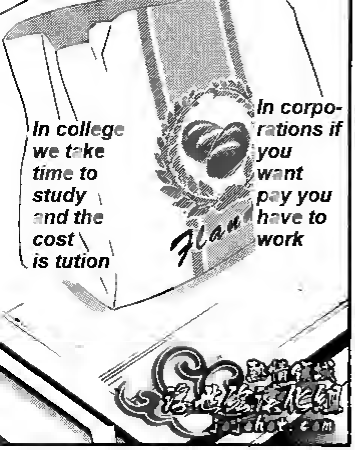
Tn: His name isn't Steve but the does not translate properly so we will call him Steve for now

Tn: For future it actually say aspiration, but I think its an wonky translation so I just wrote future.

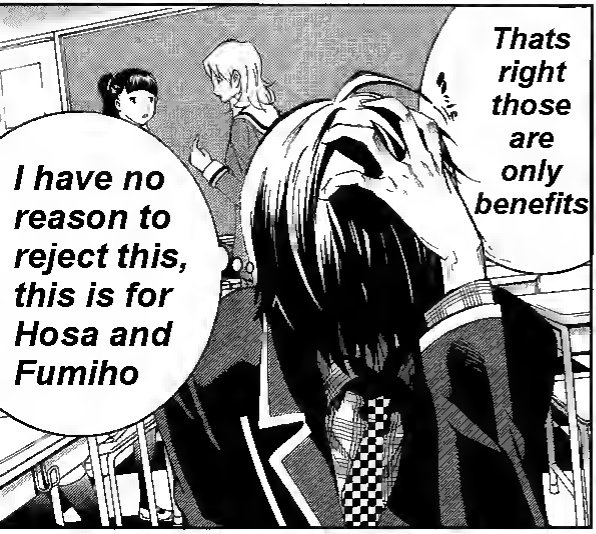
What?
Fuiji, did you discuss your future yet?
why you talking about this now, other people were done before the summer
Yeah, I think thats how it happened
I hear that I'm the last one in my class
BTW, Steve what are you doing ?
Can't tell you, *sigh* Layman
Future... everyone knows that Steve is going to military
志願啊…
歌唇
想要去參軍這件事
大家都知道
I think the reason he is upside down is, because it's training for the military
I'm going to give my life to Necro Maria-Sama
Being upside down helps with weight loss
It doesn't have anything to do with weight loss
Steve: It also helps with constipation

我知道的…
……必須決定才行
……沒有時間了

*smile
What can I do, I can't decide this by myself
So
I'm an idiot
Yeah, he's right
but, thats the only way for Hosa to recover, no matter what I have to take it



Tn: What he is trying to say in the text above is everything comes at a price



可是「班長利用我們的好處」……
But "the good thing about the class President using us"
是什麼？
What is it?
Is it the hunter system that's combined with me
No, that can't be it
Between the two of us
我們兩個人在他們之中
We are probably the weakest
Uranus alone is already so strong
No matter how hard I try I can't figure out what he wants
Because we're friends?
不對不對
No.. that can't be it

Tn: The pic with the skull is from a line saying something about brains blossoming flowers of stupidity, but it didn't sound good so I changed it

Never contact, unless you need me
.....
Fuiji!?
What?
Fuiji what happened to your face, your eyes look like a panda's

Hosa definately knows why Uranus is trying to invite us.

But, the way you biorgs do things disguists me even more.

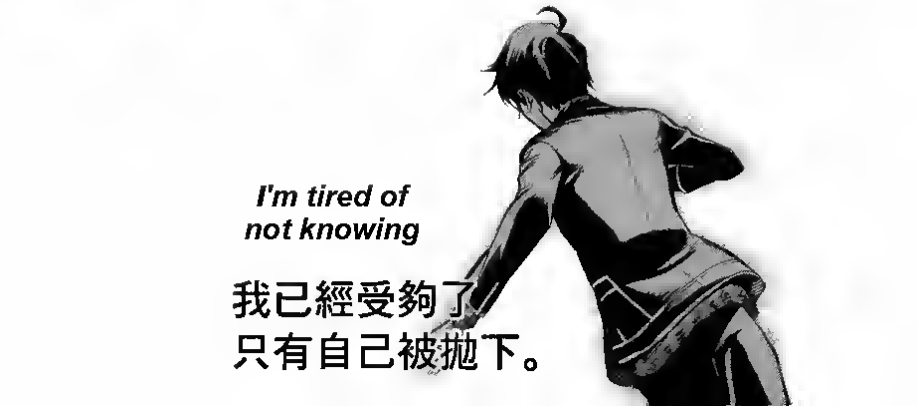
That means something cause, why would Uranus be inviting us

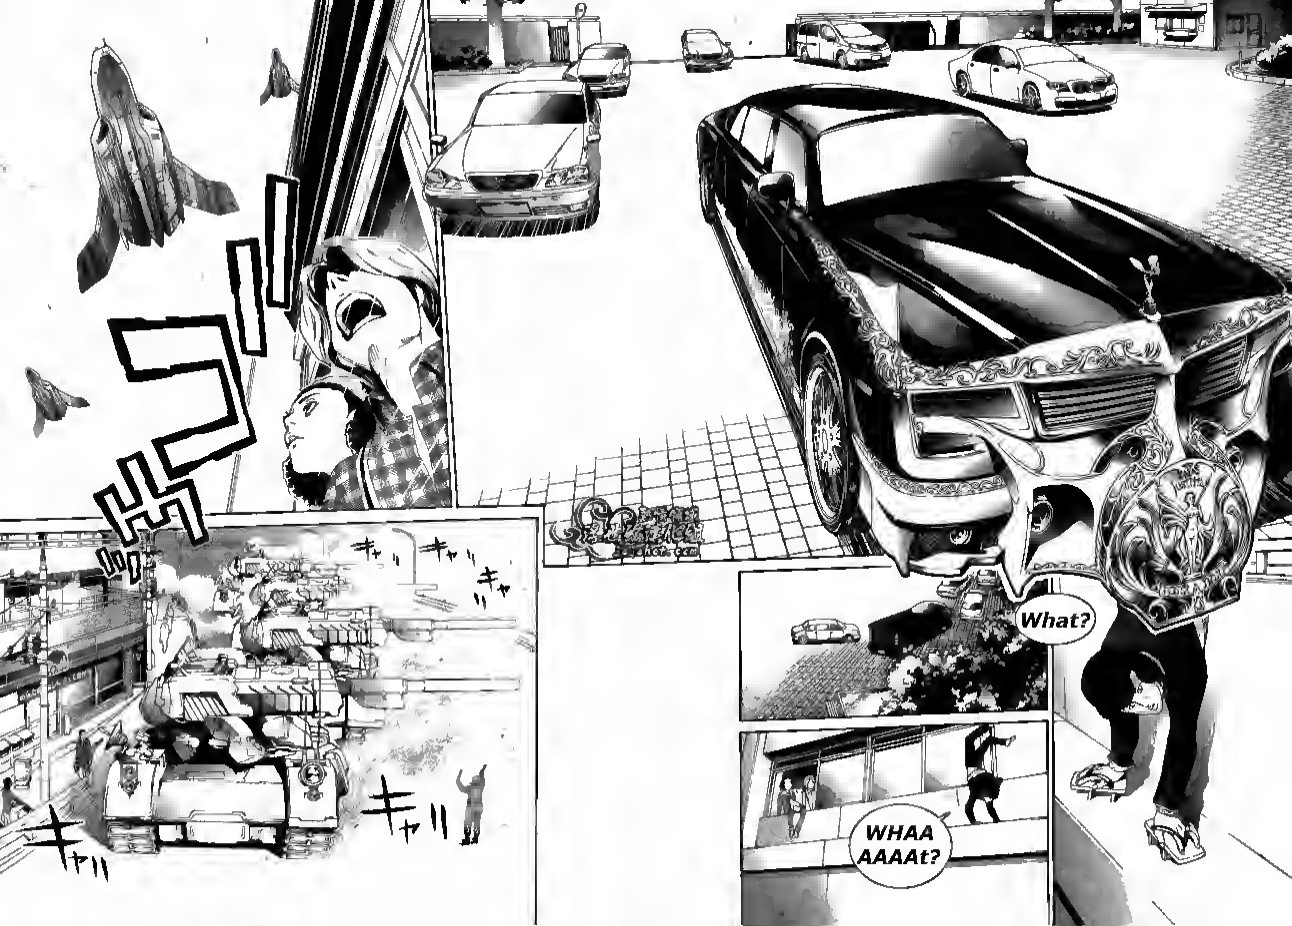
He can accept many opportunities, but he rejects them all

Hosa is a lot smarter than me

Then why doesn't Hosa tell me anything?

Tn: The translations sounds a bit weird on this page





What?
WHAA AAAAt?

Hmm? Whats that sym-bol

Thats?!

Ah?

WAAAA AAAAA AAAAA AAAAH !!!!!

ズル

.....

Stabilize
Stabilize
…?
……!?
?
Wha?
I'm alive?

Open wide Fumiho
Ahhhh
嗯
嗯
嗯
Today we will be pointing out that yesterday night the whole world started to heat up
This was highly concentrated in Black Caucasoid Climate Province
37.2°C
Reports say this phenomenon is related to global warming
Stop feeding Fumiho
Hahaha
If your jealous why don't you come down and sit with us
KYS fatty

Your temperature is only 0.5 higher than normal, your health is better
Whats my temperature Dad
Ahhh
I think it's better that you take a break
Chest size is still the same
You spoiled her too much
Go to sleep!
Fumiho
Is there something wrong?

No, its nothing
It's not something I'm uncomfortable with
What?
Nothing
I'm going to sleep now Dad
So hot
I don't know what kind of emotion to face it with

Morning
Morning

How's it going, anything good happen
No, it hurts so much
Just like the day I became a woman
What?
Just like the day I got turned into a woman
What the heck are you talking about
If we can't save it we will just throw it away
Do not come to this room if you have nothing to talk about
If anyone thinks that you and I have a special relationship it will interfere with the mission

What? We have nothing between us
so if I choose to side with Uranus you won't say anything right?
You can't let anyone hear what you just said
All the girls will die by the cuteness
What! I didn't mean that.
I have been recruited by Uranus
To put it simply as long as it protects Fumiho it doesn't matter which side I'm on
Isn't it better to join the side with more benefits

Coward
How dare you compare me with Uranus
Go decide whose side you wanna be on yourself
Like I said
Don't do a thing
Your only good at being a nerd
Stay home and do something nasty and everything will be fine, alright?
If you're smart you will leave now

Don't do anything, I think you mean don't do something
Because, if I do something you guys will get in trouble
ヒ°ηw,
Wow, Hosaka told you a lot
來了…Here it comes!!
Really?
Did he fall for it?

Let me repeat that
I have been recruited by Uranus
Calm down, calm down, don't accelerate.
I have to get the info out
Say your conditions
Following what Hosa said
Don't talk about that Trash
we-
What?
This conversation doesn't relate to Number 9
does it not?
What's happening? In other words?
Hosa isn't related?
The one who was recruited,
was me?

I will prepare 50 billion dollars today
It is not much, but its our deal price
Hosa is leaving me
I don't know why I'm thinking about this now
從絲庇卡體內逃離時班長的那句話
スパーン

Compared to me
Fumiho needs you more
I...I
Ex-excuse me
191 What am I?
191 是什麼？到底
Could you repeat that

I found you
What?
Fuiji
Bi-

You
picked me
What,
this
sounds
like-
什麼?
What?

You can feel it right?
My heart beating
Ahhh
Fu-
Fum-iho?

It's different then that girls
It's warm right?
